

Please use this service if you have trouble with illness or injury

I felt sick while away from home, but I don't know which hospital to go to...

I need to see a doctor at night, but I can't find anyone to interpret...

The hospital told me I need a professional medical interpreter because the topic is difficult...

Free calls &
interpretation

Available Services

Hospital Search Support

We will search for nearby hospitals/clinics for you based on your symptoms and preferences over the call. We will send the hospital details via email or SMS.

Hospital Reservation Support

We help communicate with hospitals/clinics in multiple languages when you want to make, change, or cancel an appointment.

Medical Interpretation via Phone

When visiting a hospital or clinic, we provide interpretation between you and the hospital staff via phone (Web Call using smartphones, etc.).

Included Personal Accident Insurance (Benefits)

If hospitalized due to injury, you receive 1,400 JPY/day (max 180 days). If you have surgery, you receive a set amount (5-10 times the daily rate).

How to Use

1

Scan the QR code below to access the service page.

2

Select what you want to consult about and apply via the form.

3

You will receive an email immediately. Click the URL in the email to start a Web Call.

4

You will connect to the call center and receive support in multiple languages via Web Call.
